Remarks:

1. There have been two specifications and drawings in the file received on 12/31/01 and 4/2/02 respectively. Upon telephone enquiry to the Applicant's representative Christine McCarthy on May 2, 2005, Examiner was advised to enter the specification and drawing received on 12/31/01 (originally filed) and disregard the one received on 4/2/02..

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: The claimed subject matter in claims 1-32 is allowable because the arts of record fail to teach or fairly suggest the claimed an apparatus or method for obtaining a soft decision in detection of a TFM signal, comprising in combinations of means and steps for: sampling a received signal; reverse rotating the phase of a signal sample in the way that the real part of a complex signal indicates the phase of the sample to produce phase changes of possible transitions; reverse rotating the phase changes of possible transitions determined by the modulation method used so that the rotation is opposite to the phase belonging to the old state of a trellis diagram; rotating a carrier phase in claims 2,4,18,20; computing transition metrics for the state transitions in a trellis diagram with the aid of the real part of the signal sample and computing path metrics for each survivor path; selecting the path with larger metrics as a survivor from paths entering a state node, and the phase of that survivor is set as the phase state of the new

correlative state in question; selecting the survivor with the largest metric as the best survivor; and determining the sign of the demodulated bit with the aid of the last bit of the previous state of the best survivor and calculating the weight of the demodulated bit as the difference of the path metrics of the best survivor and a selected path joining it."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
